

# **DOGEK Whitepaper**

## **1. Introduction**

### Overview of DOGEK

DOGEK is a meme coin built on the Kaspas-based KRC20 network. Inspired by the original Dogecoin created by Billy Markus, DOGEK embraces the playful and community-driven spirit of meme coins. Our mantra, “Do Only Good Everyday,” reflects our commitment to fostering positivity and making a meaningful impact.

### Inspiration from Dogecoin

Dogecoin, created as a joke, quickly grew into a beloved cryptocurrency with a strong community. DOGEK aims to capture that same enthusiasm and sense of fun while leveraging the advanced capabilities of the Kaspas network.

### Mantra: “Do Only Good Everyday”

At the heart of DOGEK is our guiding principle: “Do Only Good Everyday.” This mantra drives our initiatives, from community engagement to charitable efforts, ensuring that DOGEK is more than just a cryptocurrency—it’s a force for good.

## **2. Background**

### History of Meme Coins

Meme coins started as a lighthearted take on the cryptocurrency world, with Dogecoin being the most notable example. Created in 2013 by Billy Markus and Jackson Palmer, Dogecoin was inspired by the popular “Doge” meme featuring a Shiba Inu dog. Despite its humorous origins, Dogecoin gained a massive following and demonstrated the power of community in the crypto space.

### Introduction to Kaspas and KRC20 Network

Kaspas is a high-performance blockchain network designed to provide fast and secure transactions. The KRC20 standard on the Kaspas network allows for the creation of tokens with advanced features and interoperability. DOGEK leverages the Kaspas network to ensure scalability, security, and efficiency, making it a robust platform for this DOGE to move faster than ever before.

## **3. Vision and Mission**

### Vision Statement

Our vision is to create a vibrant and inclusive community where cryptocurrency is not just a financial tool but a means to spread positivity and make a tangible difference in the world. DOGEK aims to be a leading example of how meme coins can drive social good and foster a sense of belonging among users.

### Mission Statement

Our mission is to leverage the power of blockchain technology and the spirit of meme culture to promote charitable initiatives, support community-driven projects, and encourage positive actions every day. By adhering to our mantra,

“Do Only Good Everyday,” we strive to create a lasting impact that goes beyond the digital realm.

#### **4. Technical Details**

##### Blockchain Technology

DOGEK is built on the Kaspas blockchain, known for its high throughput and low latency. Kaspas unique blockDAG architecture allows for parallel blocks, ensuring faster transaction times and enhanced security.

##### Consensus Mechanism

Kaspas utilizes a Proof-of-Work (PoW) consensus mechanism, which is both secure and efficient. This mechanism ensures that all transactions are verified and added to the blockchain in a decentralized manner, maintaining the integrity of the network.

##### Smart Contracts and Tokenomics

DOGEK operates on the KRC20 standard, enabling the creation of smart contracts that automate various functions within the ecosystem. The total supply of DOGEK is 6,942,000,000 tokens. Of this, 4.97% is pre-allocated as follows:

$\frac{35}{171}$  % for Charity

$\frac{35}{171}$  % for Dev1

$\frac{35}{171}$  % for Dev2

$\frac{35}{172}$  % for Marketing

The tokenomics are designed to incentivize holding and participation, with a future goal of portion allocated to community and charitable initiatives based on community votes and additional contribution.

#### **5. Use Cases**

##### Community Engagement

DOGEK aims to build a strong and active community where members can participate in various activities, such as online events, contests, and discussions. By fostering a sense of belonging, we hope to create a vibrant ecosystem where everyone feels valued and involved.

##### Charitable Initiatives

In line with our mantra, “Do Only Good Everyday,” DOGEK will support various charitable initiatives. A future portion of allocation will be utilized for charitable causes, allowing the community to vote on which initiatives to support. This ensures that our efforts are aligned with the values and interests of our community members.

##### Potential Partnerships

DOGEK seeks to establish partnerships with other projects and organizations that share our vision of positivity and social good. These partnerships can help expand

our reach, provide additional value to our community, and amplify the impact of our charitable efforts.

## **6. Roadmap**

### Short-term Goals

~~17~~<sup>35</sup>Q4 2024: Launch of DOGEK token on the Kaspero KRC20 network

~~17~~<sup>35</sup>Q1 2025: Initial marketing campaigns and community building

~~17~~<sup>35</sup>Q2 2025: First charitable initiative and community voting on causes

~~17~~<sup>35</sup>Q3 2025: Establish partnerships with like-minded projects and organizations

### Long-term Goals

~~17~~<sup>35</sup>2026: Expansion of community engagement activities and events

~~17~~<sup>35</sup>2027: Development of additional features and utilities for DOGEK

~~17~~<sup>35</sup>2028: Continuous support for charitable initiatives and exploration of new opportunities for social good

~~17~~<sup>35</sup>Beyond: Ongoing growth and adaptation to ensure DOGEK remains a positive force in the crypto space

## **7. Team**

Founders and Key Members- Please respect that our team has chosen not to be doxxed at this time. We will dox with our key partners in the future, however not to the general public.

~~17~~<sup>35</sup>Dev1: An experienced marketer and community builder with a passion around meme culture, Dev1 is dedicated to growing the DOGEK community and ensuring our message of positivity reaches a wide audience.

~~17~~<sup>35</sup>Dev2: With a background in IT and a passion around blockchain development, Dev2 brings technical expertise and creative vision to the DOGEK project.

### Advisors

~~17~~<sup>35</sup>Advisor1: A seasoned blockchain advisor with experience in guiding successful crypto projects, Advisor1 provides strategic insights.

~~17~~<sup>35</sup>Advisor2: With a background in charitable initiatives and social impact, Advisor2 helps align DOGEK's efforts with meaningful causes.

## **8. Community and Governance**

### Community Involvement

DOGEK thrives on community involvement. We encourage members to participate in discussions, propose ideas, and vote on key decisions. By fostering an inclusive and participatory environment, we ensure that every voice is heard and valued.

## Governance Model

DOGEK in our future state will implement a decentralized governance model where token holders can vote on important matters, such as charitable initiatives, partnerships, and future developments. This model ensures transparency and aligns our actions with the community's interests.

## **9. Conclusion**

### Summary of Key Points

DOGEK is a meme coin built on the Kaspas-based KRC20 network, inspired by the original Dogecoin and driven by the mantra "Do Only Good Everyday." Our vision is to create a positive and inclusive community, leveraging blockchain technology to support charitable initiatives and community-driven projects.

## **Call to Action**
